

# 2018 Annual Meeting of the Society for Mathematical Biology & the Japanese Society for Mathematical Biology

## Wednesday 11 July 2018

**Modelling the neuromechanics of swimming, flying and pumping systems - New Law School/--100 (15:00-17:00)**

**-Conveners: Alexander Hoover**

time	[id] title	presenter
15:00	[395] The emergence of neuromechanical resonance in jellyfish locomotion	HOOVER, Alexander
15:30	[167] Effects of mechanosensory feedback on swimming behaviour and stability of a flexible body	HAMLET, Christina
16:00	[18] No flows in vein: blood, oxygen, and pumping - oh my!	Dr BATTISTA, Nick
16:30	[447] Tiny insects clap and fling with flexible wings	SENER, Michael
